Unlimited Border  
and Edge Effects

Includes  
**OVER  
1000  
NEW** Frames!

## Interactively Design Stunning Border and Edge Effects

With PhotoFrame 2.5, there's no limit to the dramatic border effects you can design for your images! Two additional volumes of newly designed frames, including natural effects such as emulsion, acid burn and meltdown, allow you to create truly unique designs. Customize and combine any of the stunning 2000+ edge effects and add your own personalized touches with shadows, glows, textures and bevels.

## New Features

### Over 1,000 New Frames

Two new volumes of professional designed frames (over 2,000 frames in all) are at your fingertips, making it easier than ever to find just the right frame for your image.
